INTRODUCTIONS OF GUESTS

Seven Mile Ridez Car Club is applying for membership this evening.
Echo Bronk of the Suburban Newspaper was present to talk about the upcoming 2020 ENWICC book.

INTRODUCTIONS OF OFFICERS AND MEMBERS

In President Ron Gillis’s absence, Treasurer Connie Johnson ran the meeting this evening and asked that everyone sign in on the sheet going around and to check their information on the membership roster to make sure that it is correct.

THOUGHTS AND PRAYERS

None this evening.

Treasurer Connie Johnson did have copies of the funeral information on Dave Vollmer’s service.

PRESENTATIONS OF OUR GUESTS ADDRESSING THE COUNCIL

January 8th, 2020 is the deadline to enter your ads in the 2020 Car Council Book. Echo Bronk said that by now you should have been given information for your ads to be run. And Connie Johnson has been making telephone calls on the event listings.

The car club information will come directly from our representative sheets that are going around this evening. The two contacts that you have for your club on that list are the ones that will go into the 2020 book. If you don't want that person to be listed, please let Cindy Wimmer or Connie Johnson know as soon as possible. Also, if you are one of those contacts and you don't want your email address published, you also need to let them know that as soon as possible.

There will be no changes to the book itself. It will be the same size and put together as usual. They will also be printing 12,000 books again this year. There was some discussion on emails being bombarded with spam mail after the book came out. If you don't want your email in the book, you need to tell Connie Johnson by the next meeting of December 18, 2019.

One of the filler pages will be dedicated to Dave Vollmer, our deceased Legislative member. His sister will be writing the article. We will be possibly adding to that article for the book. We also told Echo Bronk with the Suburban Newsletter that we would like something written in the book to specify that there is a copyright on all information in the book.

THERE WAS A RECOGNITION OF VETERANS IN ATTENDANCE THIS EVENING

APPROVAL OF MINUTES

There was a correction to the Minutes of the October 2019 meeting. The new member club should be Metro Mopar Addicts of page 3. And in the Housekeeping Items that our by-laws were actually updated in May 2018.

Motion to approve minutes as amended by Chuck Garber. Motion seconded by Kerry Fox. Motion carried.

TREASURER'S REPORT

Connie Johnson read the Treasurer's report. Motion to approve the Treasurer's report as presented by Larry Stephenson. Motion seconded by Chuck Garber. Motion carried.

There were 2 bills to pay this evening. One bill was submitted by Secretary Cindy Wimmer for the publishing of the October newsletter in the amount of \$39.20 and one bill from the Slo Rollers Car Club for the Fall Foliage Tour expenses in the amount of \$286.18.

Motion to approve payment of these bills by Kerry Fox. Motion seconded by Mike May. Motion carried.

OLD BUSINESS

SWAP MEET

Kerry Fox said that it is now time to start worrying about our costs. He has contacted the Lancaster County Event Center for a sample bill. He wanted it before tonight's meeting. The response was that Stephanie was working on a contract with a sample invoice. This morning he still hasn't had a response. The cost is expected to be around \$19,000. And it still takes around 280 volunteers to work the swap meet.

He has a list of jobs and needs verification of approval to do those same jobs from the clubs. The Lincoln Rebels has not responded to our request as of tonight on whether or not they have the people they need to complete their assignment.

Please let Kerry know if any of your clubs want the 3:00am overnight job as the Corvette Club might not want this job this year. The Omaha Rebels said they would be interested. Kerry asked if anyone else would be interested in working, there were no takers. One way or another Kerry promised a contract by the ENWICC meeting in Omaha in the month of December 2019. He knows that the Lancaster Event Center has done a lot of improvements this past year so Kerry is expecting an increase for them to pay for their rodeo. Otherwise, we will look at the costs when he gets a preliminary bill. He also said that our Eastern Nebraska Western Iowa Car Council Facebook page is up and running.

Seven Mile Ridez car club president, Myles Rasmussen asked for inclusion into the Car Council this evening. They have approximately 90 cars at the Prague car show each year. Last year they took over the management of the Wahoo Swap meet. They tried to do their best with this. This past fall they did pretty good. At least they had a good turnout without the weather being rainy. He brought calendars for distribution. They have approximately 20 members. The club cars are a mix of all makes. From Highway 92 to Prague Nebraska is 7 miles, which is how they came up with their name. They give away 2 scholarship each year. One to high school seniors of \$500 and a \$1000 scholarship to a college student that gives back to the community. They formed the club approximately 10 years ago.

Motion to approve membership by Chuck Garber Marvin Cooper seconded the motion. Motion carried.

WELCOME SEVEN MILE RIDEZ TO THE CAR COUNCIL!

NEW BUSINESS

With the passing of Dave Vollmer, we are in need of a new Legislative Representative. NRCA does not want to take the job. Kerry Fox talked a little bit about this.

AS A SIDE NOTE:

As a side note, a couple of our members went to Senator Bruce Bosselman to hopefully make it possible to reinstate the junk title. It was gotten rid of in the 1960's. He wants to qualify an inspector for a statewide position. Like a restoration car company or a Model "A" car club member. He also wants to draft up a description that it is a safe vehicle. The DMV only checks to make sure it is not stolen.

If you buy a car that has a junk title it currently cannot be titled again. There was a car in Ceresco that had a junk title and he was rebuilding it and couldn't get a title for the car. The state doesn't have qualified people to be able to say that the car should be able to be titled. Kerry Fox said that in the past we were always worried about the liability for the person that was serving as an inspector. What happens when they certify a car as being a certain age and make and model and then later on they find out there was a mistake made. How much would it cost the inspector for his liability insurance?

MEMBERSHIP DUES ARE NOW DUE
